When you have difficult questions about high-hazard industries and need someone with the correct answer, 3CU has your solution: The **3CU Segment Leaders Knowledge Center!**

3CU has assembled knowledgeable employees in each of our market segments, available to answer any questions you or your staff have about these classes.

Practical Information You Need

The classes of businesses 3CU insures for workers' compensation are complex with very specific needs. When you have questions, it may seem easy to find answers on the Internet or by researching potentially outdated materials. But will this be the best result for your customers? If you want to speak to someone with real world, practical information that can be applied to your environment, our team is ready to assist and partner with you!

How the Knowledge Center Works

It's simple. Call or email the appropriate segment leader, who will be happy to assist you and respond to any type of questions you have including:

- Coverage issues
- Segment operations overviews
- Exposures and controls
- Industry trends
- Program design

Let 3CU be your "go-to" resource provider for your complex workers' compensation needs — consult the **3CU Segment Leaders Knowledge Center** today!
